Traffic Alert
Twin Peaks-Blue Bonnet Road
Gravity Sewer Project

This is a series of traffic alerts that will be issued throughout the construction of the Pima County Regional Wastewater Reclamation Department’s Twin Peaks-Blue Bonnet Road Gravity Sewer Project. These alerts will announce construction, detours and street closure information as it affects traffic. Please watch for updated traffic alerts as construction activities progress.

Pima County Regional Wastewater Reclamation Department (RWRD) and their contractor, Achen Gardner, have begun installation of a 15-inch sewer interceptor line along Hartman Lane, between Linda Vista Boulevard and Cortaro Farms Road. The contractor began work south of the intersection at Cortaro Farms Road and is working northward toward Linda Vista Boulevard. The sewer installation along Hartman Lane is expected to take approximately 5 months to complete.

Sections of Hartman Lane will be completely closed to motorists, pedestrians and bicyclists in the area where the contractor is working.

On Thursday, May 9 and Friday, May 10, from 9 a.m. to 3 p.m. each day, Cortaro Farms Road, at the intersection of Hartman Lane, will be reduced to one lane in each direction. These restrictions will be in place while the contractor paves portions of Cortaro Farms Road that were disturbed during the installation of sewer pipe across the Cortaro Farms Road intersection at Hartman Lane.

- Access to Hartman Lane from Cortaro Farms Road will not be permitted

Beginning Monday, May 13, access to the subdivisions located at the northwest corner of Hartman Lane/Cortaro Farms Road will be from Carriage Drive or Cerius Stavenue only. Access from southbound Hartman Lane will not be permitted. (SEE MAP BELOW) This closure will be in place 24-hours per day.

- Cortaro Crossing Drive will be closed at Hartman Lane
- Local traffic only will be permitted south on Hartman Lane between Overton Road and Cortaro Crossing Drive. There is no access to Cortaro Farms Road from Hartman Lane north of Carriage Drive
- North and southbound travel on Hartman Lane between Cortaro Farms Road and Carriage Drive will be permitted

Residents and the traveling public should watch for message boards with detour information.

Emergency access will always be provided.

The above work schedule may be impacted by weather or mechanical failure. During the sewer pipe installation, there will be extensive trenching and large equipment entering and exiting the work area. Motorists should remain alert and use caution when driving near construction activities.
