**Traffic Alert**  
**Twin Peaks-Blue Bonnet Road**  
**Gravity Sewer Project**

This is the first in a series of traffic alerts that will be issued throughout the construction of the Pima County Regional Wastewater Reclamation Departments **Twin Peaks-Blue Bonnet Road Gravity Sewer Project**. These alerts will announce construction, detours and street closure information as it affects traffic. **Please watch for updated traffic alerts as construction activities progress.**

Achen-Gardner will begin work mid-September 2018 to install a 15-inch diameter sewer main along the Blue Bonnet Road alignment from Linda Vista Boulevard to Twin Peaks Road. **To expedite construction, the contractor will work in two areas simultaneously:** 1) on Hartman Lane from just south of Linda Vista Boulevard north along Blue Bonnet Road to Oasis Road, and 2) from Oasis Road north along Blue Bonnet Road to Twin Peaks Road. **Work along Blue Bonnet Road is slated for completion by the end of December 2018.**

**On Monday, September 17**, the contractor will begin installing 15-inch pipe along Hartman Lane. Work will begin approximately **200 feet south of the Linda Vista intersection** and will proceed northward, crossing Linda Vista Boulevard and then continue north along Blue Bonnet Road.

The contractor will **work overnight, from 8 p.m. to 5:30 a.m. Monday through Friday. There will not be any travel restrictions during the day from 5:30 a.m. to 8 p.m.** Work is scheduled to be **completed by Friday, September 21, 2018.** Residents and motorists in the area should note the following:

- **Only northbound** travel will be **permitted along Hartman Lane between Red Racer Drive and Linda Vista Boulevard** from 8 p.m. to 5:30 a.m. each night.
- Both **eastbound and westbound turn movements from northbound Hartman Lane** will be **permitted.**
- **Southbound turn movements** from Linda Vista Boulevard to Hartman Lane **will not be permitted** from 8 p.m. to 5:30 a.m.
- During operations to install pipe across Linda Vista Boulevard, motorists will be shifted around the work area. Flaggers may be on-site to help direct traffic through the area.

**Access for emergency response will always be provided**

**The above work schedule may be impacted by weather or mechanical failure**

During the sewer pipe installation, there will be extensive trenching and large equipment entering and exiting the work area. Motorists should remain alert and use caution when driving through the vicinity of construction work.

## Hartman Road/ Linda Vista Boulevard Construction

Night Work – 8 p.m.–5:30 a.m.  
September 17–21, 2018
