Traffic Alert
22nd Street Sewer Augmentation Project
Swan Road to Alvernon Way

This is a series of traffic alerts that will be issued throughout the construction of the 22nd Street Sewer Augmentation Project. These alerts will announce construction, detour and street closure information as it affects traffic.

The following traffic control will be in place from 9 a.m. to 3 p.m. on Wednesday, March 16, 2016 while the contractor completes pressure tests on a portion of the newly installed water transmission line. **Traffic control restrictions may change daily while these tests are being completed. Please watch for updated traffic alerts.**

Southbound Alvernon

- 22nd Street through traffic reduced to one travel lane
- ****Left turn movements at 22nd Street will not be permitted***
- Right turn movements at 22nd Street are unrestricted

Northbound Alvernon

- Through travel at 22nd Street is reduced to two-travel lanes
- Left-turn movements at 22nd Street are unrestricted
- Right turn movements onto 22nd Street are unrestricted

Eastbound 22nd Street

- Through travel at Alvernon Way is reduced to two-travel lanes
- Left turn movements at Alvernon Way are unrestricted
- Right turn movements at Alvernon Way are unrestricted

Westbound 22nd Street

- Through travel at Alvernon Way is reduced to two-travel lanes
- Left turn movements at Alvernon Way are reduced to one left-turn lane
- Right turn movements at Alvernon Way are unrestricted

****changes to current traffic control***

For your safety, please observe all traffic control signage, message boards and obey reduced speed limits. Watch for construction personnel and equipment in the work zone.
