Traffic Alert
22nd Street Sewer Augmentation Project
Swan Road to Alvernon Way

The following traffic control will be in place while the contractor installs new sewer lines and repaves portions of the roadway through the intersection of **22nd Street and Columbus Boulevard**. To reduce the impact on the traveling public, most trenching, excavation and pipe installation work will be completed over night. However, some daytime lane restrictions will remain in place in order to complete the paving operations.

Please watch for updated traffic alerts as construction activities progress east along 22nd Street.
