Traffic Alert
22nd Street Sewer Augmentation Project
Swan Road to Alvernon Way

This is a series of traffic alerts that will be issued throughout the construction of the 22nd Street Sewer Augmentation Project. These alerts will announce construction, detour and street closure information as it affects traffic.

The following traffic control will be in place beginning **Monday, May 23, 2016 from 7 p.m. to 5 a.m.** while the contractor completes investigative work on a waterline in the intersection of 22nd Street and Alvernon Way.

Southbound Alvernon

- **Left turn movements at 22nd Street will not be permitted**
- Through travel at 22nd Street is unrestricted
- Right turn movements at 22nd Street are unrestricted

Northbound Alvernon

- All through travel and turn movements are unrestricted

Eastbound 22nd Street

- **Left turn movements at Alvernon Way will not be permitted**
- Through travel at Alvernon Way is unrestricted
- Right turn movements at Alvernon Way are unrestricted

Westbound 22nd Street

- **Through travel at Alvernon Way is reduced to two-travel lanes**
- Left turn movements at Alvernon Way are unrestricted
- Right turn movements at Alvernon Way are unrestricted

For your safety, please observe all traffic control signage, message boards and obey reduced speed limits. Watch for construction personnel and equipment in the work zone.
