

**July 7, 2016**

**Traffic Alert  
22<sup>nd</sup> Street Sewer Augmentation Project  
Swan Road to Alvernon Way**

This is a series of traffic alerts that will be issued throughout the construction of the 22<sup>nd</sup> Street Sewer Augmentation Project. These alerts will announce construction, detour and street closure information as it affects traffic. **Please watch for updated traffic alerts as construction activities continue along 22<sup>nd</sup> Street from Swan Road to Alvernon Way.**

**The following traffic restrictions will be in place while the contractor completes potholing activities:**

**Monday, July 11 from 9 a.m. to 3 p.m.**

- Westbound 22<sup>nd</sup> Street at the Columbus Boulevard intersection will be reduced to two through-travel lanes
- Left turn movements from westbound 22<sup>nd</sup> Street to southbound Columbus Boulevard will not be permitted
- Business access will be maintained at all times

Following the above detailed work, **there will be no construction related activities until environmental clearance has been received.** After clearance is received, the contractor will complete the relocation of a **6-inch waterline along 22<sup>nd</sup> Street at Longfellow Avenue.** The **final paving** of all disturbed construction areas is scheduled for **completion by the end of August, weather permitting.**

**For your safety, please observe all traffic control signage, message boards and obey reduced speed limits. Watch for construction personnel and equipment in the work zone.**
