**Traffic Alert**  
**22<sup>nd</sup> Street Sewer Augmentation Project**  
**Swan Road to Alvernon Way**

This is a series of traffic alerts that will be issued throughout the construction of the 22<sup>nd</sup> Street Sewer Augmentation Project. These alerts will announce construction, detour and street closure information as it affects traffic. **Please watch for updated traffic alerts as construction activities continue along 22<sup>nd</sup> Street from Swan Road to Alvernon Way.**

**The following traffic restrictions will be in place while the contractor completes potholing activities:**

**Friday, August 5, from 9 a.m. to Noon**

- Westbound 22<sup>nd</sup> Street at the Alvernon Way intersection will be reduced to two through-travel lanes
- Left-turn movements will be reduced to one lane from westbound 22<sup>nd</sup> Street to southbound Alvernon Way
- Northbound Alvernon Way at the 22<sup>nd</sup> Street intersection will be reduced to one through-travel lane

**The following traffic restrictions will be in place while the contractor completes paving activities:**

**Beginning at 10 p.m. on Sunday, August 7 through Noon on Monday, August 8**

- Westbound 22<sup>nd</sup> Street from Swan Road to Longfellow Avenue will be **reduced to one through-travel lane**
- **All left-turn movements will be restricted** at the intersection of 22<sup>nd</sup> Street and Columbus Boulevard
- There will be **intermittent closures** for northbound and southbound through traffic on Columbus Boulevard at 22<sup>nd</sup> Street **when paving equipment moves through the intersection and while the asphalt cures**
- There will be intermittent median closures at Longfellow Avenue on 22<sup>nd</sup> Street
- Left turn movements along westbound and eastbound 22<sup>nd</sup> Street between Swan Road and Longfellow Avenue **will be restricted at each median crossover/left-turn lane**

--more--

**The following traffic restrictions will be in place while the contractor completes manhole adjustment activities:**

**Beginning at 5 a.m. on Wednesday, August 10 through 3 p.m. on Friday, August 12**

- Westbound 22<sup>nd</sup> Street between Swan Road and Longfellow Avenue will be reduced to two through-lanes.

Following the above detailed work, **there will be no construction related activities until environmental clearance has been received.** After clearance is received, the contractor will complete the relocation of a **6-inch waterline along 22<sup>nd</sup> Street at Longfellow Avenue.** The **final paving** of all disturbed construction areas is scheduled for **completion by the end of September, weather permitting.**

**For your safety, please observe all traffic control signage, message boards and obey reduced speed limits. Watch for construction personnel and equipment in the work zone.**
