Traffic Alert
Twin Peaks-Blue Bonnet Road
Gravity Sewer Project

This is a series of traffic alerts that will be issued throughout the construction of the Pima County Regional Wastewater Reclamation Department's **Twin Peaks-Blue Bonnet Road Gravity Sewer Project**. These alerts will announce construction, detours and street closure information as it affects traffic. **Please watch for updated traffic alerts as construction activities progress.**

Achen-Gardner has begun work to install a 15-inch diameter sewer main along the Blue Bonnet Road alignment from Linda Vista Boulevard to Twin Peaks Road. **Major construction along Blue Bonnet Road will be completed by the end of December 2018, cleanup activities will continue into January 2019.**

On Wednesday, September 26, the contractor will begin installing 15-inch pipe along Blue Bonnet Road. The contractor is scheduled to work during daytime hours Monday through Friday. Work will proceed north along the Blue Bonnet Road alignment.

- **Representatives** from Achen Gardner **will notify** individual residents prior to work occurring in front of driveways.
- **Access from Blue Bonnet Road to Linda Vista Boulevard will not be available** until after the sewer installation has progressed north past Sumter Drive.

On Friday, September 28 and Monday, October 1, from 9 a.m. to 3 p.m. each day, the contractor will pave portions of Hartman Lane and Linda Vista Boulevard that were disturbed by the recent overnight sewer installation work. Residents and motorists in the area should note the following:

- **One** travel lane in each direction will be **maintained along Hartman Lane between Red Racer Drive and Linda Vista Boulevard**.
- **Eastbound and westbound turn movements** from northbound Hartman Lane to Linda Vista Boulevard **will be permitted**.
- **Southbound turn movements** from Linda Vista Boulevard to Hartman Lane **will be permitted**.
- Flaggers will be on-site to **direct alternate one-way traffic** during operations to pave the disturbed areas across **Linda Vista Boulevard**.

Emergency access will always be provided

The above work schedule may be impacted by weather or mechanical failure

During the sewer pipe installation, there will be extensive trenching and large equipment entering and exiting the work area. Motorists should remain alert and use caution when driving near construction work.
