Traffic Alert
22nd Street Sewer Augmentation Project
Swan Road to Alvernon Way

This is a series of traffic alerts that will be issued throughout the construction of the 22nd Street Sewer Augmentation Project. These alerts will announce construction, detour and street closure information as it affects traffic.

The following traffic control will be in place while the contractor installs a survey monument in the 22nd Street/Alvernon Way intersection. While this work is completed, various travel lanes will be closed for 24-hour-periods to allow time for concrete to cure before the travel lane is re-opened to traffic.

3a.m. to 6 a.m. Wednesday October 12, 2016

- **Northbound Alvernon Way** – Through travel will be reduced to one through travel lane. Left and right-turn movements will not be affected.
- **Southbound Alvernon Way** - Left turn movements will be restricted from **southbound Alvernon Way** to eastbound 22nd Street. Southbound Alvernon Way right-turns and through travel will not be affected.
- **Westbound 22nd Street** - Left turn movements will be restricted from westbound 22nd Street to southbound Alvernon way. Westbound 22nd Street through-travel will be reduced to two-through lanes. Right turn movements will not be affected.
- **Eastbound 22nd Street** – Through-travel and turn movements on eastbound 22nd Street will not be affected by this work.

6 a.m. Wednesday October 12 to 6 a.m. Thursday, October 13, 2016
