Traffic Alert
22nd Street Sewer Augmentation Project
Swan Road to Alvernon Way

This is a series of traffic alerts that will be issued throughout the construction of the 22nd Street Sewer Augmentation Project. These alerts will announce construction, detour and street closure information as it affects traffic.

The following traffic control will be in place while the contractor repairs a manhole collar on eastbound 22nd Street. While this work is completed, a travel lane will be restricted for a full 24-hours to allow time for concrete to cure before the travel lane is re-opened to traffic.

6 a.m. Wednesday, October 26 to 6 a.m. Thursday, October 27, 2016

Eastbound 22nd Street

- Eastbound 22nd Street **will be reduced to two through lanes** at the Swan Road intersection.
- All turn movements will be permitted.

For your safety, please observe all traffic control signage, message boards and obey reduced speed limits. Watch for construction personnel and equipment in the work zone.
